Nature's Medicines Cure

Indianapolis, Ind., Nov. 12, 1902.

This is to certify that I have been a great sufferer from St. Vitus' Dance, so severe that I wouldfall; and also lost control of my muscles in arms and legs; my speech and memory were also badly affected. I had taken everything I could hear of for fifteen years, without benefit. I have taken Nature's Medicines just five weeks and am decidedly better than I have been for fifteen years. I feel that I am getting well just as rapidly as anyone could with this disease. I heartily recommend Nature's Medicines and the head physician of Nature's Medicine Co. to my friends. I owe all to his skill and this natural treatment. I had given up all hope of a cure. I can now write letters and address envelopes, which I have not been able to do for many years. I am 39 years old. GEO. O. NEWCOMB, 374 S. Ill. St.
